Dear Neighbors:

It's my honor to assume the role as President of West Lane Place Civic Association effective July 1, 2022. I bought my first house in West Lane Place in 1972, and except for a ten-year lapse when I lived near Rice University, I've been here ever since. In the past, I have served on the WLPCA board both as a director and an officer. I'm pleased to have participated in preserving the deed restrictions for West Lane Place, Section III, where my wife, Cynthia, and I built our home on Bash Place twenty years ago. Over the years, we have seen an incredible transformation in our area.

I am happy to report that we have assembled a great Board and members of various committees to help run our Association this year. The committee planning our Neighbors Night Out being held on Tuesday, October 4, 2022 has been working hard to organize this event. I hope you will attend and look forward to seeing friends and neighbors, and meeting others who may be new to our neighborhood.

See you on Tuesday, October 4th.

Fisher Trigg

Water Bills

Many neighbors in West Lane Place have complained about shocking water bills. **Pat Fant**, Hackberry Lane, is investigating how the City measures water consumption and calculates charges. Get in touch with Pat to find out more.

HPD in WLP

As everyone is painfully aware, crime is rampant and all around us. To increase police presence here, we urge you to REPORT EVERY INCIDENT to HPD! The more incidents we report, the greater our police presence.

Another way to increase police presence is to invite officers here as WLPCA does every year to NNO. We also can bring them to our area with gift certificates to local restaurants, like the Nielssens Delicatessen at Mid Lane and Richmond. If you are interested in participating in a donation program like this, please contact the newsletter editor through our website, www.WLPCA.org.

If you prefer to go spontaneous and solo, think about offering a cold bottle of water or a cold soft drink to the officers you see in our neighborhood. Little acts of appreciation make a big difference in their response to our problems.

ISO Crime Watch Volunteers. We continue to search for volunteers because our Crime Watch program is still severely short-handed. This program is designed to **reduce crime through awareness**. It is not a program in which volunteers confront any suspicious person.
